## What to Include?

With us you get family values, community support and a group that stay within your program, project or community event until the success is proven and recorded.

### Focus on What You Do Best

Clients or artists get real a time contract with real time management services. Entertainment that center around the family not a person. News reported in facts not cut for the interest. For example:

- (1) When a artist sign under us, we provide them a with baseline and a true timeline of payments upon their contact-The artist fund themselves, we just front the funds.
- (2) Entertainment, news reporting and our production looks to the soul and heart of the community needs, artist mission and what happen to correct, support and build the community of new stars.
- (3) Our faith base treatment centers upon the core values of once belief system, while standing upon ours.

We are and have worked with several groups and ecclesiastical orders:

- World Council of the National Assembly of Churches,
- Daniel Matthew Ecclesiastical College
- National Ecclesiastical Paralegal Services
